

The background features a vibrant, stylized sky with a color gradient from purple and pink at the top to yellow and green at the bottom, suggesting a sunset or sunrise. The sky is filled with soft, wispy clouds. On the left and right sides, there are faint, golden-yellow outlines of architectural structures, possibly part of a large arena or theater, with curved balconies and railings. The overall aesthetic is magical and theatrical.

The Story

The final chapter of the untold story of the witches of Oz begins with Elphaba and Glinda estranged and living with the consequences of their choices.

When a girl from Kansas comes crashing into their lives, they will need to come together one final time and truly see each other, if they are to change themselves, and all of Oz, for good.
